

Hard Copy and Email Subscription Form

The Vegetable Crops Hotline newsletter provides the commercial vegetable grower with timely information about farm management, business planning, disease, insect and weed pests, fertility practices, post-harvest problems, pesticide label changes, meetings, and much more. Each year, the Hotline is published 12 times during the growing season (April - September), with an additional four issues in February, March, and October.

In addition to the scheduled issues of the newsletter, subscribers will receive alerts about hot topic articles published between issues. Growers may also use this form to sign-up for Veggie Texts. These texts, which will be 160 characters or less, will deliver critical information to mobile phone numbers or email addresses.

***** (Please complete the following) *****

Select subscription type.

_____ **Email Subscription** (receive an email notification when a new issue is published online)

This service is free of charge. Email the form to ljollybr@purdue.edu or plangenh@purdue.edu. Alternatively, send an email to: vch-join@lists.purdue.edu. You will receive an automated response requesting confirmation of the request. Replying to that message adds you to the list.

_____ **Hard Copy Subscription** (sent via U.S. mail)

Add a check for \$15.00 made payable to Purdue University and this form to Lori Jolly-Brown, *Vegetable Crops Hotline Subscription, Horticulture and Landscape Architecture, 625 Agriculture Mall Drive, West Lafayette, IN 47907.*
